

“ Members of the Community, and a Branch of the Legislature; and that by promoting Harmony among  
“ the People by your Conversation, and discouraging by your Influence such Practices as may tend to dis-  
“ quiet the Minds of your Constituents, and to disturb the Public Tranquility, you will endeavour to con-  
“ vince all factious and malevolent Persons, that they cannot be more industrious in contriving Mischief,  
“ than we are vigilant and careful to render their wicked Designs abortive.

“ *Gentlemen of both Houses,*

“ In Confidence that you will unanimously act this good Part, and by your Conduct, as private Gentlemen,  
“ endeavour to approve yourselves worthy of the Trust reposed in you, I heartily wish you all Happiness

“ Prorogue this Assembly to the First Monday in *January* next, to which Day you are to take Notice that  
“ you are prorogued accordingly.”

So endeth this Session of Assembly, this 22d Day of *May*, in the Sixth Year of his Lordship's Dominion,  
*Annoque Domini, 1756.*
